Dear Kim,

Thank you for the reading materials, which I have read.

While I have no knowledge of the clandestine efforts of foreign intentions to halt recreational fishing.

I am in favor of recreational fishing at our below sustainable levels, throughout the country and to funding adequate science to determine the levels. The Newfoundland summer recreational fishery rules for 2019, are now available online at <http://www.dfo-mpo.gc.ca/fisheries-peches/decisions/fm-2019-gp/atl-15-eng.html>.

Should you have any further questions or wish to discuss this matter further, please contact my office at any time.

Yours sincerely,

Nick Whalen, Member of Parliament
